Richland High School Library

630 Long Ave, Richland

6:30-8:30 PM

*Participants will leave with
Books • "Fidget" Items •
CDs • Parent Activities*

*Participants can receive
2 STARS hours*

Circle Time gives children the opportunity to participate in the classroom community by sharing ideas, taking turns, learning about social rules and participating in songs and games. Some little learners can sit and listen for quite awhile, while others need to MOVE. This workshop will give participants a variety of ideas and strategies that will help make circle time FUN and engaging for all children. Please come and join Julie Dockter, ECEAP teacher at Taptal Elementary as she presents Circle Time activities and ideas!
